I have the census returns for the Stacey family in South Warrimborough which give me two Charlotte Staceys. One born in 1841 and the other born in 1837. I have the birth certificate of the 1841 entry but am not sure if this is the right one.

The microfiche for the births of the children of Austin and Charlotte Rampton was dated 1980 and I believe this has been updated now so more of the births may be recorded there.

1861 Census - Parish of Crondall, Rushott

Austin Rampton	Head	Mar	26	Brickmaker	born Basingstoke, Hants
Charlotte "	Wife	Mar	20		born S. Warrimborough, Hants
John C. "	Son		3 mos.		born Crondall, Hants
James Stacey	Lodger		18	Labourer	born S. Warrimborough, Hants

(Charlotte's brother)

I have not been able to locate Austin Rampton on any other census but I have the Stacey family on the 1841, 1851, 1861 and 1871 census returns. In 1841 Census there is a Charlotte Stacey aged 4 and in the 1851 Census there is a Charlotte Stacey aged 10 but not one aged 14. So you see my query as to the right one that married Austin.

Our genealogical society has a researcher in London who gets any certificates we may need and I have a request in right now for the death certificates of Austin and Charlotte Rampton who died in Aldershot, Hants. My mother-in-law has given me the approximate dates.

I have sent for and received the two booklets on brickmaking mentioned in the February 1982 journal. Austin Rampton is mentioned in one of the

Highlighting the good in the NHS

Sir- I would like to put on record the thanks of my family to all the staff on wards C3 and D2 at Basingstoke hospital.

My father was taken ill on Christmas Eve

and was taken to Basingstoke hospital. He was treated with kindness and care that was wonderful to see.

He died one day after his 92nd birthday, but we know that he had the best treatment anyone could have wished for.

So let us look at all that is good and not tear the NHS apart if sometimes it fails to meet the standards we expect
