Dear Mr & Mrs Stanley,

I noted from the HGS's Catalogue of Member' Interests that you were interested in the Taylor family in Baughurst from 1716 – 1719. My great grandmother x 3 was an Eliza Taylor (Parents Daniel & Sarah nee Tyler) who was baptised at Baughurst on 28/1/1816. She died on 15/2/1876 at Odiham; her tombstone is in the cemetery there. I enclose details of the tree I have managed to trace to date. If our trees do appear to be connected then I can send you further details. Likewise I would be pleased to hear if you are able to add any additional details.

Please find enclosed a stamped addressed envelope and look forward to hearing from you. Thank you for any assistance you are able to give.

Yours sincerely,

Peter Gregory

Dear Iris,

Thank you very much for your interesting letter and the information contained therein. As promised, please find enclosed a tree showing how I descended from Eliza's daughter Mary Ann Baldwin. Also enclosed are details of Eliza's appearances in the various census. Curiously she does not appear to have been at home for the 1851 census, I did look in Baughurst for that year but could not find her. Finally I enclose a tree showing all the descendants of Mary Ann Baldwin I have been able to trace through her marriage to William Gregory as of course they are mutual cousins to both of us. John and Eliza Baldwin's tombstone is in the cemetery at Odiham and is in very good condition.

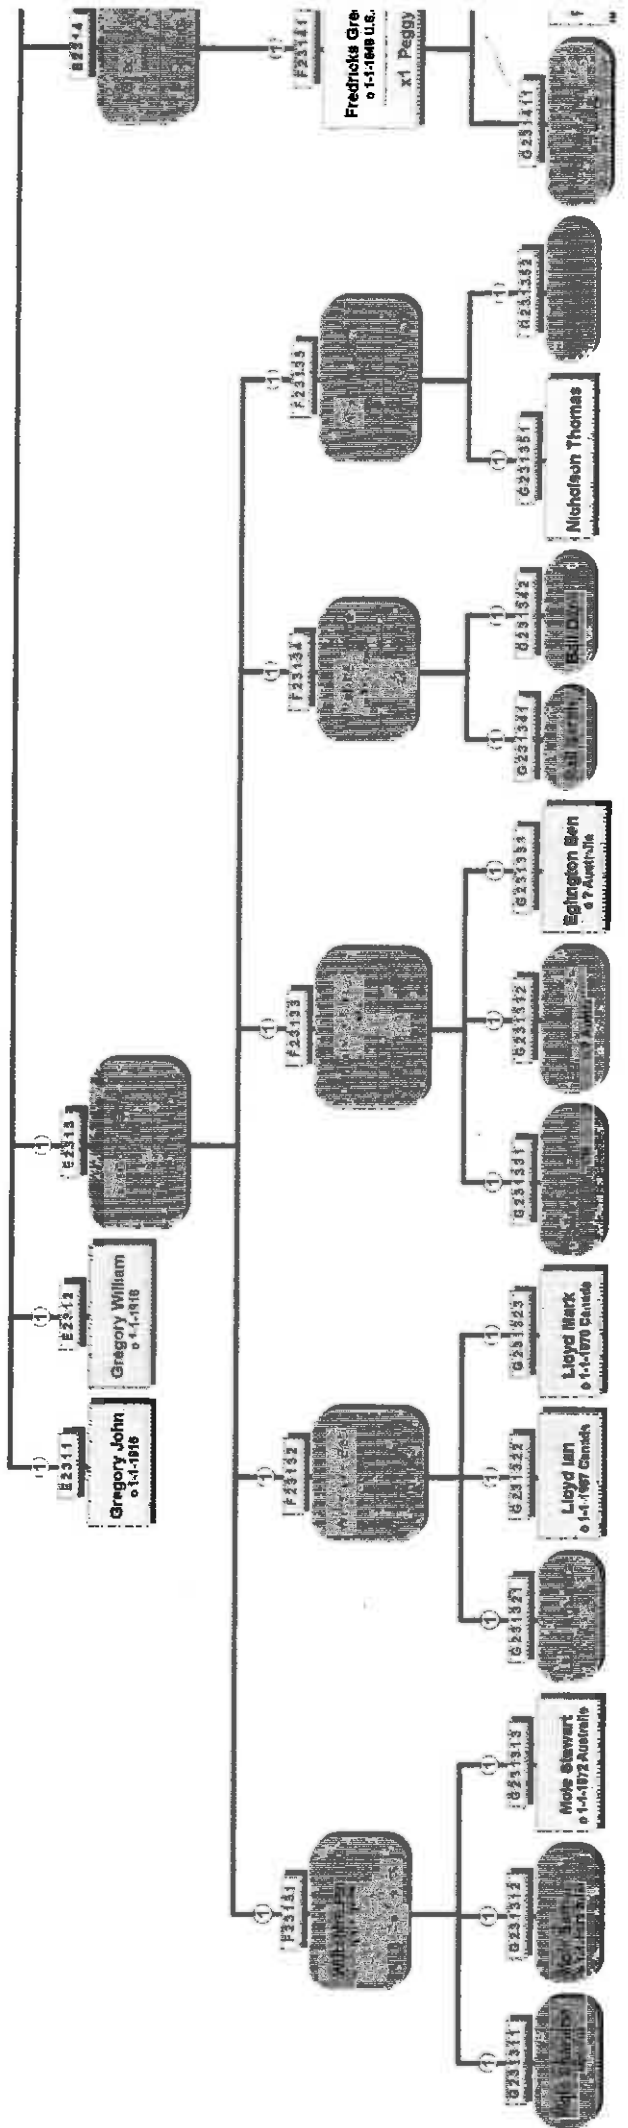

I was surprised to find I still had relatives listing in this part of Hampshire, I wondered if you could possibly draw a tree showing your line of descent from the Taylors. Were your family mainly involved in agriculture until recently? My last connection with Hampshire was my grandmother Annie Gregory (nee Lipscombe) who died in Basingstoke in 1969. The Lipscombes were farmers in Tadley, I have seen references in Tadley history books to a farm called Lipscombe's place but have no idea where it was located. You mentioned over the phone that you may be able to give me some further information on my Barlow ancestors (see enclosed tree). I cannot trace Daniel Barlow's baptism who was born in Tadley in 1782/3, if you have any information I would be most grateful.

Many thanks for any information you can provide, if I can give you any further information do let me know.

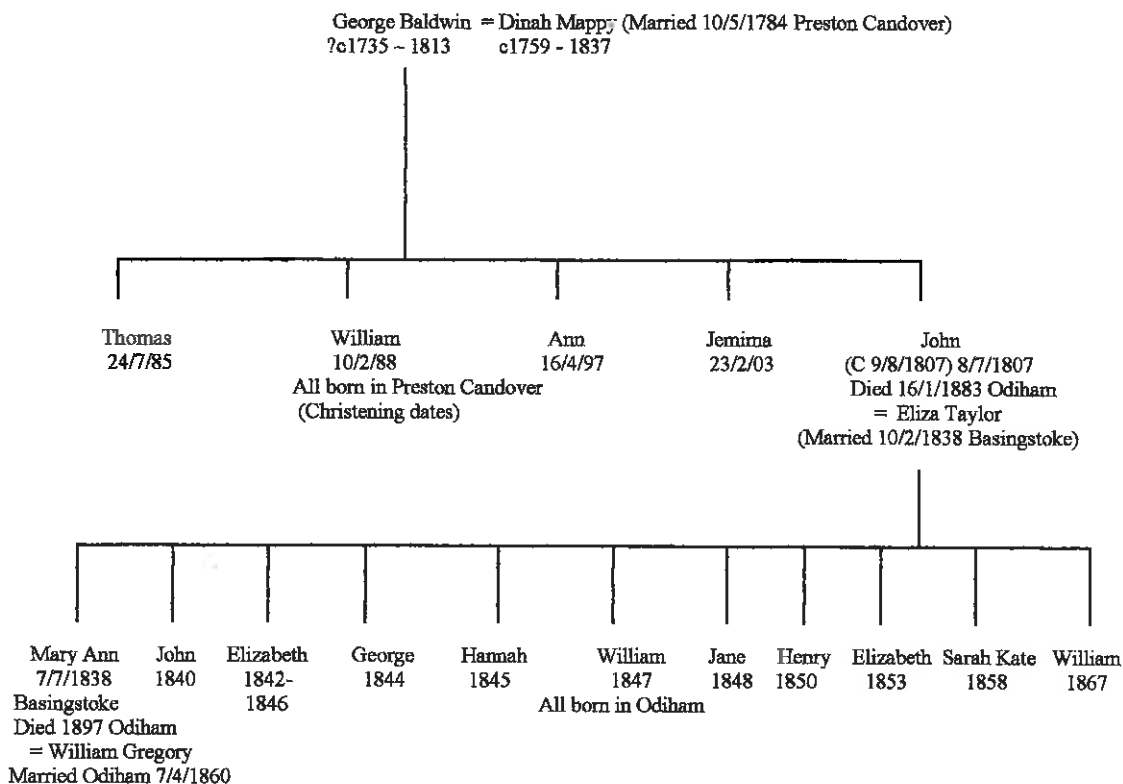

Yours sincerely,

Peter Gregory

Weddings

DEBORAH Richmond and Garry Taylor (pictured left) have been celebrating their married life since they recently exchanged vows at Kingsclere Register Office.

Deborah is the daughter of William, who gave her away, and Margaret Richmond of Longrove, Baughurst, where the couple are also currently living.

Garry is the son of Geoffrey and Hazel Taylor of Southview, Baughurst. His best man was close friend, Gerard Merchant, whose father has been friends with Geoffrey Taylor for many years.

The reception was held at the Ambassador Club in Tadley before the couple went off on their honeymoon, exploring the south coast.

On 20th February at St Stephen's, Baughurst. **Herbert Reginald Taylor**, aged 88; buried with his wife in the churchyard. Sadly following the recent death of older brother Sid, Herbert, the last of nine children has passed away. The family lived at several farms, and when he married Lilly in 1937 they moved to Hillside the following year to begin married life. She died tragically of MND in 1973. Herb always stayed on the farm and never took a holiday bar a honeymoon and his final stay in hospital. A bellringer at St Stephen's for a while he was a self-sufficient man and didn't want to be a problem to anyone. He supported Reading FC in his younger days and loved football and his beloved farm. Our thoughts are with Sheila and the family – may he rest in peace, a life's work done.
