

**Lady Penney**

We also regret the passing away of Lady Penney in late December. Lady Penney was well known and respected by many Tadley people, especially from the early days of the AWRE. She also favoured TADS by attending the launch of *Around Tadley - fact and fable* in 1999. The committee have made a donation of £25 on behalf of TADS to *seeAbility* as was requested by the family.

**RESIDENTS at Brendoncare rivalled the displays at Chelsea with their very own flower show. Photographic entries not only featured British flowers and gardens, but from various other countries such as Canada, New Zealand and The Phillipines. Classes included**

a summer arrangement, an arrangement in an unusual container, and for the children, a miniature garden - won by Sophie Radmore.

Brendoncare activities co-ordinator, Ruth Lee, said: "We had a good response and the residents really

enjoyed not only viewing the flowers but exhibiting some of their own efforts in floral arrangements, artwork and garden photography."

**M**OST village fayres have an egg and spoon race, a sack race or even a three-legged race but Baughurst 2000 Summer Fayre sported a real live ferret race!

People were asked to place bets - all proceeds to the good causes - on the best of four ferrets. Trouser belts were tightened as Mike Quelch of Ferrets 2000 (pictured) got two of the furry athletes out to show the bemused onlookers.

Over two of the hottest summer days this year, crowds came out in force to enjoy a host of fun. On Saturday, after the opening by the local MP

Sir George Young, people were entertained with a dancing display by the pupils of the Petite School of Dancing and also the AWE Police Dog Display Team. After aerobics and a fashion show, the first day culminated in a barn-dance in the school hall.

With temperatures hitting the high eighties, Sunday kicked off with a mini fun run and a knockout competition in the main arena where teams of youngsters battled it out with as much energy as the hot day would allow!

In this little corner of Hampshire called Baughurst, under a cloudless sky, villagers were entertained and thrilled by the simple pleasures of a traditional English event, organised by Baughurst Parish Council.
