Will it work?

Talk is of a modern British Legion,

It may help bring anew interest in some Regions.

Years ago both my parents played an active part,

To help the unfortunate make a start.

It was a help to country folk,

To go on outings where interest were spoke.

Meetings were held and get togethers were many,

To give pleasure and help to those in need of any.

In a village where every one gets involved,

Problems of a daily routine can often be solved.

By helping others it gave much pleasure,

Going on a Charabanc, this

treat could not be measured.

To the seaside once a year, Sandhurst Passing out parade another treat near.

The Village Hall held many meetings,

To arrange the summer time dues in season.

So much help given in past years,

To help many who came home in tears.

A new lift I hope will help them carry on,

By the British Legion so much good has been done.

Still the need is always there, Where some where someone has to care.

— By Mrs I J Anderson,
Reynards Close,
Tadley.

My Wheelchair

For nine long years now,
My wheelchair has taken me everywhere.

It has been a real treat,
To go out, my many friends to meet.

Their kindness leaves me unable to express,

My very grateful thankfulness.

At most times, I can cope

everywhere,

In difficult situations I always find someone there.

My guardian angels I call every one,

A BIG thank you from me for all that you have done.

— By Iris Andrews,
Reynards Close,
Tadley.

BASINGSTOKE GAZETTE EXTRA 6/9/1995

When I Opened Budgens

So pleased was I when I cut the ribbon,

£100 for "G" Floor I was given,

For a play mat for sick children this was going,

A lovely surprise for me not knowing,

It makes my life to be able to help,

To get the childrens need a satisfaction to myself.

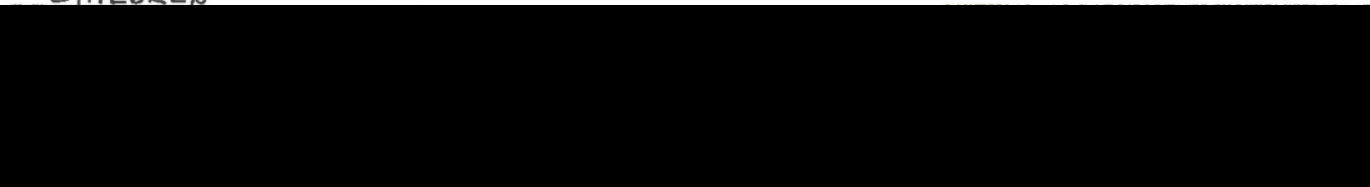

— Mrs I J Anderson,
Reynards Close,
Tadley.

Leading light in town's Chamber of Trade dies

Obituary

THE secretary and former president of the Tadley Chamber of Trade has died.

Roy Edward Anderson, of Wellington Crescent, Baughurst, died aged 82 following a stroke on October 3.

He was born in Brockley, south east London, on August 20, 1920.

At the age of 11 he won a scholarship to Haberdashers Askes School, after which he went to Goldsmiths College, London, to undertake a teacher-training course.

He taught for a year before joining the RAF in 1940, first as a warrant officer and then as a pilot officer.

At a New Year's Eve party at Bromley Country Club in 1946, "Andy", as he was known, met Christabel Eteson, whom he married in 1949.

In the 1950s, with a young family to support,

Andy began working for firms such as Avon, Michelin, John Bull and the Rootes Group.

In 1963, the family moved from Surrey to Hampshire, where he set up his first business, The Mobil Garage in Mulfords Hill, Tadley, which he ran with his wife for five years.

He left the garage to establish Anderson Motor Store, also in Mulfords Hill, which he ran with the help of his wife until 1979.

Having worked in the motor industry for almost 30 years, he changed direction to develop Anderson House. He became sub-postmaster of the new post office in Mulfords Hill, which he ran until his retirement in 1987 at the age of 67.

Soon after his move to Tadley, Andy became an active and enthusiastic member of the Tadley Chamber of Trade.

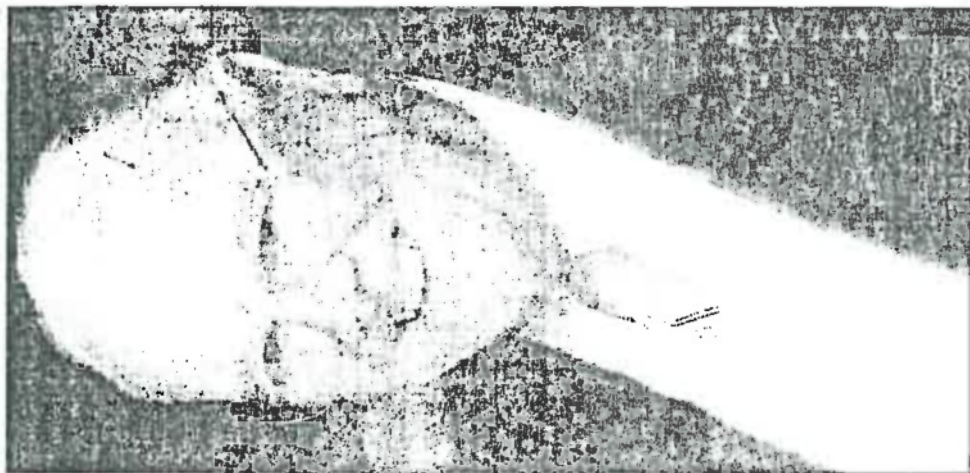

He also served as a councillor on Tadley Parish Council, and was a committee member of the Tadley Recreational Society and Tadley Green Housing Association.

He was also responsible for the creation of the hugely successful Chamber of Trade *Roundabout* publication which, over the years, has raised more than £20,000 for local charities.

After his retirement, Andy was heavily involved in fundraising projects, in particular helping to transform the Tadley Rugby football ground in Red Lane.

Andy lived life to the full and, through his business ventures, became a well-known figure in Tadley. He will be greatly missed.

He is survived by Chris, his wife of 50 years, three daughters - Judith, Erica and Jackie - and four grandchildren.
