B.M.D. INDEX DEATHS APRIL-JUNE 1989

MR B &

MRS A CARTER

29 April 89

Dear Cousin Raymond,

Carter Family History

I have been researching my family history both paternal and maternal sides of the family. I was very surprised to discover that Rosina Sargent was still alive and very active. She recently sent me some information which filled a gap in the history of the 'Baughurst Carters', a branch of the tree with whom I had no contact in 40 years, although my brother Alan and sister-in-law Sheila were in contact with Rosina (your Aunt I believe).

She thinks you have done some research into your family and suggested I get in touch with you. So if you have been doing some work perhaps we could exchange notes. Certainly Aunt Rosina had some good anecdotes about her mother which I could copy to you.

Dec 31st 1989.

Dear Iris,

I was pleased to get your letter regarding the family history of the Aldemaston Carters. I am answering for Brian, as he died on May 13th this year, I think soon after he wrote the letter to Raymond. I know he would have been most interested to hear from you.

I myself am not sure of dates of birth of the sons of Enos. but I can give you a bit of a breakdown. Enos married Annie Clifford - and they had
1. Ernest (married Doris Dearlove - no children),
2. Stanley (married Violet Wood - 2 sons Brian (my husband) and Alan. - Brian had 5 children,
