Vandals wreck treasured windmill

Windmill is the latest target in crime spree

A TADLEY couple have been left heartbroken after vandals damaged a treasured model windmill in their front garden - the latest in a spate of similar crimes.

Keen carpenter Arthur Metcalf built the wooden windmill in the 1960s. It has been a familiar sight to generations of schoolchildren who pass the front garden of Piglet Cottage, Franklin Avenue, on their way to Burnham Cope Junior School.

Arthur's wife, Gill, said: "My husband made the windmill for his parents, who aren't around any more. He is devastated by what has happened."

Mrs Metcalf said she had discovered two large breeze blocks in the garden on Tuesday morning. They had been thrown over the hedge and hit the windmill, smashing glass windows, breaking off a sail and splintering the intricate wooden structure **(as pictured on today's front page).**

Mrs Metcalf said: "It is very sad that people

By Elizabeth Roberts

do things like this. Perhaps they might have appreciated the windmill if they grew up in Tadley. We often get letters from children asking us to put their milk teeth in the windmill for the fairies."

She added her husband is particularly upset as he is unsure whether he will be able to repair the model.

Sergeant Julie Young, of Tadley police, said officers have had to deal with several incidents of arson, graffiti and vandalism in this area of Tadley in recent weeks.

Town councillor and estate agent Adrian Noad, whose office is in Bishopswood Road, said he had discovered graffiti on his windows twice in the last fortnight.

Pc Dave Walker, of Tadley police, is investigating the windmill vandalism and has asked staff at Burnham Cope Junior School to tell the children about it.

The incident is believed to have taken place between 10pm and 10.30pm on Monday.

Anyone with information is urged to contact Pc Walker at Tadley police station on 0845 045 45 45.

● Tadley police have announced a series of travelling surgeries alongside the county's mobile library service, in a bid to increase presence in some of the more remote areas.

Sgt Julie Young told The Gazette: "The aim is to provide advice and listen to people who wish to discuss community issues."

The schedule is: February 15: 2.35pm Charter Alley Chapel; 3.05pm Ramsdell Old School; 3.45pm Miss Polly's Kindergarten, Baughurst.

February 22: 9.05am Hanger Road, Tadley; 9.20am Community Centre, Newchurch Road, Tadley; 10.40am Montessori School, Baughurst; 1.35pm Ashford Hill School; 3.05pm Headley Chapel.

March 1: 9.10am Bishopswood Court, Tadley; 9.35am Herriard Way Shops, Tadley; 10.35am forecourt of Fighting Cocks pub on the A340.

Vandals must be stopped

Sir-It was with sadness and anger that I read of the wanton vandalism to the windmill in Franklin Avenue, Tadley.

This windmill gave pleasure to a lot of people over the years, including my own two children and my mother.

It would have been nice for my grandson to have had the same opportunity.

However, this now seems unlikely due to the moron/s who carried out the aforementioned deed.

I hope they were pleased with their night's work.

One thing I am sure of, however, is the determination of Mr Metcalf to get the windmill up and running again. Good luck to him.

-Mrs Wendy Jennings,
Forest Close,
Baughurst.

windmill just up the road.

There are plenty of thugs too ready to take action without someone to keep a watchful eye all the time.

It was bound to happen somewhere. I believe the building alterations taking place nearby provided the ammunition.

Problems like this seem to go on day after day with no solution.

Having had my share, in 40 years or more, of being robbed as well as vandalised, I believe this behaviour has gone on far too long.

I only wish I had an answer. Most people I meet are ordinary, down-to-earth, hard-working and honest who, like me, wish to get on with our lives without interference or hassle.

Tadley.

Dear Iris & George

Doesn't seem possible to be Christmas again. I think it hasn't sunk in so much this year as the weather has been lovely during November with lots of sunshine. The trees looked really wonderful. David & I went to Sussex at the end of October - him leading walks & I did what I liked. One day I went to a RSPB place & it was lovely - lots of different birds & animals in natural surroundings. There have been some great nature programmes on the television lately - the camera work is amazing.

David & I go English country dancing. Most weeks there are more women than men, but last week there were spare men! Trouble is I normally like to sit out a few but had to get up every time! We had David's Uncle Joe from Widnes staying with us for a few days.

Dear Iris & George

Thank you for the Christmas card and letter about your lovely family.

When I sent Mum's calendar off with out card I thought she had put her card in with it before giving it to me! Anyway - here it is.

Sorry to hear about you having burglars. In one way you can be thankful you weren't (or any other members of your family) in at the time as you may have been physically hurt. As you say - best to try & put it behind you.

Our Terry is now 12 and in the second year at senior school (I think they call it "Year 8").

Mum is doing well after her fall (actually it was a "clip" on water which was on the floor in the wash area where she does her washing - blocked drain).

DAVID LOWE.

Father found hanged in local woodland

THE BOSS of a car firm has paid tribute to a Tadley dad who was found hanged in local woods.

The body of father-of-two David Lowe was discovered hanging from a tree in woods at Decoy Heath on Tuesday. There are no suspicious circumstances surrounding his death.

Mr Lowe had been missing since January 17 and had not been in touch with family or friends since that date.

The 39-year-old, of Brackenwood Drive, was a business manager at the Reg Vardy Citroen dealership in Reading, and had been sent home from work last Thursday due to his emotional state.

Mr Lowe was known to be upset by what police have described as "family issues".

His wife reported him missing last Friday morning.

Tadley police conducted a large-scale search for Mr Lowe,

By Elizabeth Roberts

and a public appeal was issued for sightings of his blue Citroen C5 car.

Pc Paul Blum, of Tadley police, said: "We used an airplane with thermal imaging cameras to search large open areas.

"Once a member of the public found Mr Lowe's car in a lay-by in Soke Road we began a foot search and subsequently found his body."

The manager of the Citroen garage where Mr Lowe had worked for two years has paid tribute to him.

"He was a smashing guy and no-one can understand what caused him to do this - we just can't believe it," said Alan Couzens.

"I really feel for his wife and kids."

An inquest into Mr Lowe's death is due to open today. A full hearing will take place at a later date.

Young dancer's school success

By Alex Kalinik

THE *Billy Elliot* of Baughurst has won his battle for financial assistance to study at a prestigious dance academy.

Shaun Mendum, 11, of Hazel Green, thought his dreams of attending the Elmhurst Dance School in Birmingham had been crushed when his parents accidentally applied for a fee-paying place.

The £15,000-a-year costs were beyond the means of his parents David and Maryann, so they launched a fundraising drive to send their twinkle-toed son to Elmhurst.

This raised more than £5,000 – including a £2,600 donation from the Turbury Allotment Charity in Tadley – but the Mendums' prayers have since been answered with Elmhurst offering Shaun an assisted place.

Mrs Mendum, who helped arrange a fun day at Heath End Village Hall, in Heath End Road, said: "We only found out Shaun had not been offered an assisted place eight weeks ago, so we organised fetes, car boot sales and a show to raise the money.

"Then last week Elmhurst said it is going to give him an aided place after all.

"This means the costs are down to £6,000 a year and Shaun will be able to attend for the full five years."

Shaun, who has danced with the English Youth Ballet, is due to start at Elmhurst in September, but he is already eager to begin.

Mrs Mendum said: "He can't wait for term to start. It's given him a real lift because now he has been given an aided place, he knows he's good enough to go."

SHAUN MENDUM

Dear all,

Greetings from Elmhurst, Birmingham. I am loving it here and the first few weeks have been fantastic! We did a show two weeks ago and that was amazing! We started with a ballet performance for the first half and a number of different styles of dancing for the second half.

I rise at 7am and after a quick shower and breakfast, the school day starts at 8.15 am. We do lots of academic lessons and three hours of dancing a day, so we finish the day at 6.40 pm, then have tea and do our homework. We have 20 minutes to spare at the end of the day to wind down and get ready for bed at 9 pm. It doesn't take me long to get to sleep as I am very tired at the end of the day.

The weekends are more relaxed than the school days as we only have dancing on Saturday mornings. This means that we get to do what we want for the rest of the weekend like listening to music or mixing with our new friends. We also get to lay in bed for longer on Sunday and rest. I enjoy the Sunday roasts, although they are not as good as the ones I get at home.

Parents evening went really well and I have just enjoyed half term with my family. I cannot wait to begin the school week again. This would not have been possible if no one had helped, so I thank you all.

Yours sincerely,

Shaun (Mendum)

GREETINGS FROM ELMHURST (Birmingham Ballet School)

Dear All

I thought I'd write to you to let you know how my first year at Elmhurst has been. This year has been the best year of my life. It started off when everyone first arrived at school and we met our House parents Mr McAulay and Miss Meyers. We met our roommates and mine was called Michael Harris. We unpacked our bags and said goodbye to our parents. I already felt homesick as soon as they left. I also felt nervous yet excited. I couldn't wait to start school, but I had to wait two days as we came on Saturday.

Monday finally arrived and we met our form tutor, Madame Le Clorec, and our ballet teacher Mr Robinson. Ballet class that day was exhausting and I thought that I would be exhausted every day, but after a while I got used to it. The first term we performed in a show for many U.L.P's, lords and ladies for the grand official opening ceremony of the school.

At the end of the term we had a school disco arranged by the school's rock band ABEC 7'S, which has now changed its name to Distorted Honour. Before we left to go home, one of our House parents, Miss Meyers announced that she and her partner were moving back to their home country Australia. We were all upset because we would miss her a lot. In the Christmas holiday it took a while to get used to being back at home, but it was nice to catch up with my friends and family, especially Mum, Dad and my brother Simon. The holidays were soon over and we were back for the second term at school. We received a new House parent who was from South Africa called Miss Peddie.

In the third and final term we did two more performances. One was a ballet production of *A Midsummer Night's Dream*, which I wasn't in because I was an understudy for the year 7 boys.

I was however in the mixed bill production called *Fancy Feet*, which included Irish, jazz, tap, ballet and contemporary dancing. I was in a jazz piece called *A licence to Thrill* that was a James Bond dance, both Irish dances (in the first one I did a little solo and my Nanny was very proud), and the Grand Finale ballet called *The DeFILE*, which included the whole school.

I also took part in the end of year Summer Concert, where I played my flute in two pieces: one called *Sous le Dome epais*, which I was doing on my own, and in *Flotation*, which was performed by the Flute Choir. I also sang a song called 'We are the Young' in the school choir. My Mum was watching us perform and she said it sounded lovely. At the end of the year I got my end of year report, which was great in all academic subjects. In Creative Dance I got an A and in Ballet I an A on achievement and an A in Effort. I couldn't wait to spread the fantastic news. Mum and Dad were very proud and are treating me to a Playstation game and a Chinese meal. (Yummy!!!)

I had a brilliant year and can't wait for next year.

I will write again to let you know how I am doing at the end of next year.

Yours sincerely

(Signed) Shaun

graduation

Hayley means business

HAYLEY Monckton, 21, has graduated from King Alfred's College, Winchester, with a degree in business administration, which she passed with honours.

Hayley is a former pupil of Richard Aldworth Com-

munity School, in Basingstoke, and BCOT, where she studied for a GNVQ and then a Higher National Diploma in business studies. She has now gone back to BCOT and is working in an administration role.
